Tell them you think this fare increase is unfair. Tell them we can do better.

Metro says we must either accept their increases or cut services. But there is another choice!

- **Reject Metro's unfair fare rate hike.**
- **Further explore revenue from advertisements, vending and booths at the transfer points.**
- **Protect taxpayers and Metro riders by reworking the great deal Metro currently gives the UW and other unlimited ride contractors – 82.5 cents per ride isn't fair when other fares are much higher.**
- **Take up Metro's budget when the rest of the city budget is debated.**
- **Consider a fairer, smaller fare increase if all other options fail.**
